

FARM RULES

CONDUCT

1. Help us make the farm a fun, friendly, supportive environment for all!
 - Be nice to others, both people and horses, no exceptions. Treat other boarders, management, family and guests (including their horses and property) with the same kindness and respect with which you would like to be treated, while on the farm, at shows or clinics and on social media.
 - Eightfold Farms is at all times to remain a friendly place suitable for the entire family of the other boarders and clients.
 - No belligerent, malicious, lewd, vulgar, profane or otherwise objectionable conduct or language will be tolerated. The conduct of everyone on the farm will at all times be dignified and civil.
 - Failure to comply with this key rule will result in your being asked to leave Eightfold Farms.
2. If someone does something clearly wrong AND it is a safety issue/hazard let Management know. Do not confront the person unless a horse or person is in immediate danger.
